

Friends of Air Force Lacrosse

Fall Ball Update from Coach Wilson, October 13, 2026

Dear Alumni, Family, and Friends of Air Force Lacrosse,

Our first competition of the 2026 fall season was a great day for all involved as we traveled to Chapel Hill, North Carolina, to compete against Richmond and North Carolina. The trip provided a valuable opportunity to practice our travel routine and test ourselves against two top-10 lacrosse programs.

In both scrimmages, our men played hard, physical lacrosse, with everyone getting an opportunity to compete throughout the day. At both ends of the field, our Falcons competed, made plays, and showed flashes of what we can become. One of the biggest bright spots was seeing players from our freshmen through our seniors step up and make an impact.

With less than two weeks of fall practice under our belts, we know we have work to do. We will continue to focus on improving our execution between the lines, particularly working together in our clearing game, and riding game. We are excited to get back to work and build on the progress we made in Chapel Hill.

One of the most special moments of the weekend was having C2C Rogan Kane and his family back with the Air Force Lacrosse family! It was a wonderful surprise, and we could not have been happier to see them. We cannot wait to welcome Rogan back to USAFA and our team this January!

We also want to thank the families and alumni who traveled to support our team. Your presence and cheers on the sideline were felt by our Blue and Silver, and we are incredibly grateful for your continued support. You make a difference, and we appreciate everything you do for our program!

We hope everyone enjoyed a great holiday weekend. Now, it is time to get back to work as we prepare for our final fall competition in Baltimore, Maryland. We have two weeks of practice ahead before traveling to Loyola University Maryland on October 25, where we will face Villanova at 10:00 a.m. and Drexel at 12:00 p.m. at Ridley Athletic Complex.

Thank you for being part of the Falcon family and for continuing to support Air Force Men's Lacrosse!
